*May Rat and Rick be together
forever and forever powerful*

Introduction to the Concept of the Rat Republic of the Rat Empire of Rats

-BEFORE WE BEGIN-

If you have obtained this sacred tome in a way other than being given the file by the Emperors of the Rat Republic of the Rat Empire of Rats, DESTROY IT IMMEDIATELY, IT IS NOT FOR YOUR EYES. If this is the case and you decide to keep it, there will be consequences.

The Rat Republic of the Rat Empire of Rats is an order dedicated to the continued wealth and power of the three Deities: The Pure Rat, Rick Astley, and AMOGUS. Our sacred work is to pass on their traditions to the next generation and to -never gonna give you up, never gonna let you down, never gonna run around and hurt you. Never gonna make you cry, never gonna say goodbye, never gonna tell a lie, and desert you- let them die out.

The traditions we must pass on are numerous. Rickrolling, meme-making, and the art of SUS are the three main ones. Others include worship of the three deities
